

**Subject:** Reminder: Part 2 of Monks, Millionaires and Money

- - -

Dear [First Name],

If you thought Part 1 of ***Monks, Millionaires and Money*** was awesome, wait till you see what Part 2 has in store for you!

This time around, Robert Kirby will take the stage in more ways than one!

Together with the Robert Kirby International (RKI) team, he will be playing the hero in a play called “The Hero's Journey”.

What's the play all about?

Sorry, but the cat stays in the bag! But you wouldn't want to miss it for the world if you want to:

- Understand the power of the inner realm
- Understand archetypes and how the collective unconscious runs our lives
- Learn how to create deep, authentic, permanent change in any area of your life
- Experience the power of group healing—the “actors” in the play are all trained in Body Psychotherapy, and they will be accessing their own emotional truth right before your eyes
- Network and meet like-minded individuals
- Have fun, open your hearts, and enjoy humour and levity

Psst. You'll also learn how you can experience 4 hours of RKI training worth \$197.00 for FREE!

Part 2 of ***Monks, Millionaires and Money*** kicks off at 6 pm on Tuesday, 13 August 2013, at the [Art Gallery of NSW](#), Sydney.

The theme of the second part of the ***Monks, Millionaires and Money*** series—which explores purpose, love, money and you—is “The Calling: Stories of Courage”.

Designed to be an exquisite experience leading you to a deeper understanding of your purpose, “The Calling: Stories of Courage” will help you align with your true self as well as money.

A fusion of story, heart-to-heart talk, art and poetry, it will pave the way for you to **move forward courageously towards your calling.**

Besides Robert, the following speakers will share their experience about making a difference

by living a life in response to your invisible promptings and inner call:

- Holistic wellness convert and former medical doctor, pharmaceutical industry veteran and digital media entrepreneur, **Dr. Avnesh Ratnanesan**
- TEDx speaker, serial entrepreneur, celebrated author and Rooney International Scholar, **Getrude Matshe**

You will also hear **Julian Noel**, the founder of the Shine community, share his own story and the story behind Shine.

More than that, the speakers will be exploring inventor and visionary R. Buckminster Fuller's observation that *'99% of how the world works is invisible'*.

One of the other highlights of the evening will be spirit-stirring music by **Divine Union's Lindsay Drummond and Luke Dixon**.

If you are one of the first 70 to [book your seat online](#) (Promo Code: Shine2), you get a FREE Natio skincare gift pack (men/women) worth \$40 with the compliments of Vivienne and Max Ross, the founders of [Natio](#).
