

Yours FREE from one of the world's leading experts and speakers on Intrapreneurship . . .

The Employee 2Intrapre neur Toolkit PART 1

Noam Tamari-Wekser
Founder of the intrapreneurship consulting firm,
Tamari-Wekser Holdings Ltd., Israel

Is this you?

- Entry-/mid-level employee or manager
- Employee since at least 2004
- Switched employers at least once
- Believe you have very little to show for the years you have put in
- 35 years of age or thereabouts
- Feel unfulfilled and unacknowledged at the workplace
- Fear being laid off

No matter where you are in your career, it's never too late to step up and step into the shoes of the INTRAPRENEUR.

Learn how with the help of Noam Tamari-Wekser, one of the world's leading experts and speakers on intrapreneurship.

Take action now to transform your expectations, be recognized, and move up the career ladder.

“Only people with depth and internal peace can train, coach and educate others. Noam has peace in him. He has power. As a successful lecturer myself, I know how to evaluate what works for other lecturers – it is power. The power to take someone, a group, a team by the hand and cross the challenge together. Peacefully. Powerfully. And Noam has it! Try him! You will thank me!”
