

# Home is wherever you are with a Hala Weekly Pack

*Staying in touch with family and friends was never this easy or so pocket-smart!*

Love keeping in regular touch with your family and friends back home?

You'll love Hala weekly packs.

Call and SMS your loved ones and friends to your heart's content. Surf all you want. Even download apps, music, videos, games and other stuff to your mobile phone.

A Hala Weekly Pack makes more sense than a standard or post-paid service. Because you pay no way near what standard and post-paid users pay for calls, SMS and data. ***Even if you make only local calls or send only local text messages!***

And you can get started for as little as QR10.

The best part is, you don't have to visit a Hala retailer or call the Ooredoo call centre to activate and start enjoying a Hala Weekly Pack.

**You can activate your Hala Weekly Pack on the go right from your mobile phone.**

To activate the Hala Weekly Pack of your choice, simply SMS the Activation Code to 121 to get started.

Hala Weekly Pack	Local Minutes & SMS	International Minutes & SMS	Internet Data	SMS this code to activate pack
QR40	200	20	20 MB	WP 40
QR25	110	11	11 MB	WP 25
QR15	55	-	10 MB	WP 15
QR10	35	-	5 MB	WP 10

The QR40 and QR25 Hala weekly packs are all-in-one bundles. That means, you don't have to purchase separate packs to make international calls or text someone back home. Everything's already included.

So, why not enjoy more for less starting today?

Call, SMS and data charges are the same 24/7.

And if your Hala Weekly Pack ever runs out, you can continue calling, texting and surfing at standard Hala rates until the next top-up. We'll automatically switch you over. You don't even have to lift a finger.

If you wish, you can even switch between Hala weekly packs as and when you want to. Simply wait for a Hala Weekly Pack to run out. Then SMS the Activation Code of the Hala Weekly Pack of your choice to 121. That's it. You don't have to do anything else.

If you agree you deserve the best pre-paid mobile service and the most pocket-friendly mobile bundle in Qatar, **activate your Hala Weekly Pack right away.**

You can cancel your Hala Weekly Pack anytime you want to simply by texting 'Stop wp' to 121.

Don't wait.

1. Pick your Hala Weekly Pack
2. SMS Activation Code (e.g. 'wp 40') to 121
3. Wait a few seconds for the confirmation
4. Enjoy!
